Building Specs and Features

Location

Entire west block of Seventh Avenue
between 41st and 42nd Street

Address

5 Times Square, New York, NY 10036
AKA 592 Seventh Avenue, 200 – 212 West 42nd
Street
Block: 1013 / Lot: 29

Year Built

2002, Redeveloped in 2022

Architect

Kohn Peterson Fox Associates PC

Building Size

1,143,117 Square Feet

Building Construction

Glass and steel
New high-efficiency windows
Redeveloped lobby
Floor layout: center core floors
Floor load: 50 lbs. psf

HVAC

M-F: 8 AM – 8 PM, S: 9 AM – 1 PM
Controls
The building uses a Siemens Apogee Building
Automated System.

Air Conditioning

Each floor is equipped with one (1) 100-ton water-cooled air handling unit serving a fan powered variable air volume distribution system. There are five (5) 1,000-ton cooling towers providing condenser water throughout the building.

Equipment

The main equipment rooms are located on the 3rd and 38th floors. Each office floor contains its own mechanical equipment room with a 100-ton Air Handling Unit serving the floor.

Ventilation Systems

Outside ventilation air is provided by six (6) heating and ventilation (H&V) fans located on the 3rd and 38th floors.

Heating

High-pressure steam is provided by Con Edison and converted to low-pressure steam and used to heat water serving perimeter fan powered boxes.

Supplemental HVAC

Condenser water is available to meet tenants' requirements.

Electricity

General
Each floor is designed to allow six (6) watts/RSF and two (2) watts for A/C RSF
Additional Power
Additional power can be made available at the tenant's expense, subject to the landlord's review of the tenant's requirements.

Life Safety

The building is fully sprinklered, has an addressable Class E Fire Alarm System, and a 1,500 KV Emergency generator

Elevators

Manufacturers
Schindler — Destination Dispatch
The building has (24) elevators in total, (18) modernized passenger, (2) freight, (4) retail, and (2) escalators servicing one of the MTA Subway entrances.

Bank

A (8) Mid-Rise	1, 4-22
B (8) High-Rise	1, 4-5, 22-37
C (2) Low-Rise	C2 – 5
D (2) Freight	C2 – 38
U (1) Retail	1-2
V (1) Retail	1-2
W (1) Retail	1-2
X (1) Retail	1-2

Floors Served

Security

General
5TS security and concierge staff are trained to provide the highest level of security, safety, and tenant experience. The building is monitored 24/7 by highly trained incident prevention officers surveilling the building exterior and subway entrances, uniformed security officers stationed at the lobby concierge desk and loading dock, and a Bluetooth enabled turnstile access system. Furthermore, the building has implemented an NYPD Paid Detail program to bring an even greater sense of safety and security to all tenants and guests.

Telecom

General
There are two (2) redundant telecom points of entry on the south and east side of the building. These serve two (2) telecom risers from C1 to the 39th floor.

Providers

Verizon, Crown Castle, AT&T, Spectrum, Cogent, Pilot Fiber, and CenturyLink

Access

Conveniently located in the heart of Times Square, one block East of the Port Authority, two entrances to the MTA Subway (1, 2, 3, 7, A, C, E, N, Q, R, and W)

Building Awards and Certifications

2001 – 2002 BOMA/NY New Construction
Pinnacle Award
2005 – 2006 BOMA/NY Corporate Facility
Pinnacle Award
Current Energy Star score of 92
(Equivalent to a DOB score of "A")

5 Times Square: ESG-ME

Ownership takes a holistic and forward thinking approach to ESG. The Trifecta of Environment, Social, and Governance is challenged by the “Trilemma” of Availability (Reliability), Affordability, and Security. By leaning into this growing prioritization of ESG, which requires awareness AND action, Ownership has developed a comprehensive ESG platform for our portfolio and for our tenants.

ENVIRONMENTAL

Energy Conservation Measures (ECMs) and Prgramming

Goals

- Carbon Neutral 2035
- Net Zero 2050
- Waste Diversion 40%

- ✓ Annual Waste Audits to analysis our waste streams and create action plans for improvement
- ✓ 100% of landlord purchased electricity incorporates Green-E Certified RECs
- ✓ On-Site Energy Management to optimize operations and script our capital plan to address LL97
- ✓ Real-Time Energy Management Software to aggregate and monitor our utility data
- ✓ Grid resiliency – Participation in the voluntary load curtailment programs offered in NY
- ✓ IAQ Sensors to monitor key wellness metrics in real time

ECM's Completed

- ✓ LED Reotrofits
- ✓ VFD Upgrades

ECMs Under Investigation/ Deployment/ Investigation:

- Fan Wall / ECM Motor Retrofits
- BMS Upgrades
- Steam Optimization
- IAQ / DCV Improvements

Current “A” Energy Star Grade

LEED Silver Certification

LL97 Impacts

No anticipated penalties for 2024-29

SOCIAL

- Experience programming tailored throughout the year to highlight social movements which include curated (free) seminars, podcasts, webinars, Spotify playlists, suggested readings, and events
- Volunteer events open focused on giving back to our local communities
- Donation and collection drives to repurpose office supplies, clothing, toys, and food to those in need
- Regular pop up events for surprise and delight movements that include coffee socials, seasonal farmers markets, sweets, and targeted holiday purchases, (Mother’s Day, Valentine’s Day, etc.)
- Partnerships with qualified, local non profits and student organizations to help spread awareness and opportunity
- Collaboration with the Times Square BID, NYPD, DOT, and our city council members to minimize the impact of tour busses, street performers, and loitering at 5TS

GOVERNANCE

- ✓ Risk management – Quarterly analysis of the market, industry trends, environmental impacts and incident reports in efforts to mitigate and plan for future events
- ✓ Vendor Integrity Program – A compressive, annual process for vendors to qualify to work for and in our buildings
- ✓ Security – Multi tiered security management team to create a safe and welcoming environment for our occupants
- ✓ Employee training, growth, and education platforms
- ✓ DEI initiatives
- ✓ Online, cloud based Ownership policy and best practices handbook

Awards

- LEED EB Silver
- WELL Health-Safety
- Fitwel
- Kingsley Excellence
- Energy Star
- GRESB

What is ESG-ME?

Ownership is aware that ESG might not be the top priority for our tenants. Not because it's not important, but perhaps because tenants are coming to our buildings to conduct their business as lawyers, bankers, traders, marketers, and widget makers. To move the ESG needle in a meaningful way, however, Landlords and Tenants will need to work collaboratively going forward with both sides engaged.

In that regard, Ownership is leading that way by offering our occupants an ESG - Made Easy platform.

ESG-ME Platform

Our goal is to provide our ESG minded tenants a simple roadmap on compliance and awareness. This includes environmental metrics, social programming, and a governance framework. ESG-ME programming will be available for all occupants, as a baseline ESG checklist, with an opportunity to expand and further develop their own ESG strategy.

The WorxWell tenant engagement App provides tenant specific key metrics and ESG data:

- IAQ monitoring for real time building health
- Submeter metrics for real time energy management within Tenant space
- Key card and visitor access data
- Occupancy counts
- Future collaborative efforts with tenants for demand response and load curtailment initiatives
- Waste audits and diversion/recycling metrics and training for facility teams
- Volunteer opportunities for team building and community engagement
- Social programming with events and education on DEI, ADA compliance, black history month, women's initiatives, retirement planning, personal financial management, wellness, health and humanities, and more
- Governance templates for risk mitigation, business continuity, disaster planning, emergency action planning, fire and life safety training, CPR classes, active shooter training, recognition of suspicious packages, and more

About SL Green

SL Green Realty Corp.

Manhattan's largest office landlord, is a fully integrated real estate investment trust, or REIT, that is focused primarily on acquiring, managing and maximizing value of Manhattan commercial properties. As of March 31, 2022, SL Green held interests in 60 buildings totaling 33.1 million SF.
